# Microsoft®

# Word 2016

## Expert Certification Guide

## Course Description

*Microsoft® Word Expert* teaches students how to use a variety of intermediate and advanced features to create and format business documents including online forms and personalized mailings. Students also learn to collaborate with other users, create online forms, work with templates, and apply advanced formatting options.

Students who complete this course will have reviewed all the exam objectives to prepare for: Microsoft Word 2016 Expert Exam #77-726. Successful completion of the certification exam provides a competitive advantage by validating the knowledge and skill sets for individuals who may be seeking employment or further job opportunities in their careers.

Suggested Course Length: 25-45 Hours
